

Dr Liz Geriatrics
WEBINAR SERIES

Do you know how to recognize the earliest signs of dementia?

Identifying early dementia in a loved one is one of the hardest things for anyone to do, particularly if you see them every day! Join Dr Dhanak to learn the early signs, how to diagnose, steps to minimize medications and problems while maximizing joy. What to plan for and what to watch for through *The Dementia Journey*.

Michelle Dhanak MD

Dr Dhanak has been a board certified Geriatrician for almost 25 years. She has extensive experience caring for people with dementia. Additionally, Dr Dhanak is also a fellow in the American College of Physicians and the Royal Australian College of Physicians.

This program is pending approval by: National Association of Social Workers (NASW) • National Academy of Certified Care Managers (NACCM) • Public Guardians – Center for Guardianship Certification • California Board of Nursing California Department of Social Services – Residential Care Facilities for the Elderly (RCFE) Administrators • California Public Fiduciaries Bureau
